### European Judo Union's Dartfish.TV is World's Largest Video Library of its Kind

**Press Release:** Dartfish – 24 minutes ago

ATLANTA--(BUSINESS WIRE)--

**Dartfish**, a video solutions provider, announced today that The European Judo Union's (EJU) Dartfish.TV channel has reached more than 27,000 videos of competition fights, making it the largest video library of its kind in the world.

To satisfy the demand for comprehensive coverage, EJU turned to Dartfish to develop a solution that would enable Judo fans to view championships online. Through this partnership, EJU and Dartfish have created a video platform that enables viewers to access unlimited matches, search for specific videos and segments, comment, embed and share videos on websites. Coaches can also download these videos and archive them for performance review. To access the EJU channel, visit [www.dartfish.tv/eju](http://www.dartfish.tv/eju)

"We have been working with EJU since 2011 to help create a video library for coaches and athletes," said Yves Depallens, Dartfish Europe VP of Business Development. "Now, with the opening of the channel to the public, all fans, athletes, and coaches will be able to access a great library and enjoy a fantastic experience."

Dartfish provides a solution that enables users to create unique content, enriched with comments and illustrations, for analysis of multiple games and performances, with the ability to selectively share the videos on Dartfish.TV. These unique capabilities have already made Dartfish.TV the choice of winning sport organizations. And now the platform is being adopted by groups in education and other industries.
