affentranger associates sa

<b>affentranger associates sa</b>	<p><b>value creation is our business</b></p> <p>affentranger associates sa (aasa) was incorporated in 2002 and is a business platform focused on the theme of entrepreneurial value creation as strategic M&amp;A advisor and investor.</p> <p>As corporate finance advisor, aasa creates value for its clients through independent M&amp;A and strategic advice and efficient execution of international corporate finance transactions – in many cases together with its worldwide Mergers Alliance partners.</p> <p>As principal investor, aasa has the ambition to achieve sustainable long-term returns by investing a combination of labour and capital in companies which are in a transition phase.</p>
<b>job description</b>	<p><b>analyst – M&amp;A / private equity (m/f)</b></p> <p>Within a growing team of international professionals in our office in Zurich the candidate will be fully involved in executing ongoing M&amp;A projects as well as preparing and participating in business development activities.</p> <p>In addition, the candidate will actively support the value creation process of our investment portfolio and assist in assessing business plans and designing and implementing corporate strategies for our portfolio investments.</p> <p>The day-to-day work is a combination of managing projects, market and company analysis, financial modelling as well as interaction with our clients, Mergers Alliance partners and portfolio companies.</p>
<b>qualification</b>	
<b>work experience</b>	<p>The candidate is bringing relevant experience from a corporate finance boutique, private equity/venture capital/consulting firm or a corporate finance department of a large corporation as intern or full-time analyst.</p>
<b>professional skills</b>	<p>We are looking for candidates with the ability to grow with us. The candidate should have demonstrated proficiency in core financial techniques and strong presentation skills. The candidate has strong analytical and conceptual skills, highly professional and entrepreneurial (“hands-on”) dedication and is able to work independently.</p>
<b>education</b>	<p>BSc, preferably MSc/MA with excellent grades.</p>
<b>languages</b>	<p>Fluency in German required, Swiss German is a strong plus.</p>
<b>job location</b>	<p>Zurich, Switzerland</p>
